

2009-2010 Verification Worksheet

Federal Student Aid Programs

Dependent

FORM APPROVED
OMB NO. 1845-0041

Your application was selected for review in a process called “Verification.” In this process, your school will be collecting information from your application with signed photocopies of your and your parent(s)’ 2008 Federal tax forms, copies of W-2 forms (if you or your parent(s) worked and were not required to file taxes), or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, your school may need to make corrections.

Complete this verification form and submit it to the financial aid office at your school as soon as possible, so that your financial aid won’t be delayed.

What you should do

1. Collect your and your parent(s)’ financial documents: signed Federal income tax forms, or W-2 forms (if you or your parent(s) worked and were not required to file taxes), etc.
2. Talk to your financial aid administrator if you have questions about completing this worksheet.
3. Complete and sign the worksheet—you and at least one parent.
4. Submit the completed worksheet, signed copies of tax forms, W-2’s (if you or your parent(s) worked and were not required to file taxes), and any other documents to the financial aid office.
5. Your financial aid administrator will compare information on this worksheet and any supporting documents with the information you submitted on your application. Your financial aid administrator may need to make corrections.
