

SPRING 2010 DISBURSEMENT

The first disbursement for SPRING 2010 semester will be available to students with **complete files on February 18, 2010**. All funds will be deposited via electronic funds transfer (EFT) to student ATM accounts at the Chaffey Federal Credit Union (CFCU) or alternate student bank accounts. Students choosing alternate bank accounts should submit an ACH request form to the CFCU at least 5 business days prior to the disbursement date (February 18th) for funding availability.

GET YOUR DISBURSEMENT

Disbursements will be made electronically to a grant account for you at the Chaffey Federal Credit Union (CFCU) and you will be issued an ATM card free of charge. You will have the ability to access your funds by using the ATM on campus, point-of-sale, or a CFCU ATM at no charge. You can also use your ATM card to make purchases at the Bookstore at no charge.

Establish your account and get your ATM card in time for your disbursement. Visit one of the CFCU branches as soon as possible:

Rancho Cucamonga Branch: 9679 Baseline Rd, Rancho Cucamonga, CA 91730

Ontario Branch: 410 Lemon Avenue, Ontario, CA 91764

You will need to take your class schedule or award printout, Social Security Card, and a valid Drivers License or California ID.

Late start classes will be paid based on the last date to drop without a "W" for that class. If enrollment consists of all late start classes, aid will not be paid on the first disbursement. It is possible to be paid in multiple disbursements throughout the term. Students adding classes after the last date to drop without a "W" will not be paid for those classes.

Please note, all requested financial aid paperwork must be submitted and processed by the Financial Aid office before any disbursement can be made.

*****Future communication will be sent via e-mail*****
