

Eliminating Wordiness

More is not always better. Unnecessary verbiage detracts from the writer's meaning. When writers eliminate wordiness, they create clear and concise sentences.

In this study group, you will

- ◆ Identify wordiness pitfalls and ways to avoid them
- ◆ Practice eliminating wordiness in your own writing

Writing Center study groups may be counted towards required supplemental learning hours for English 550, 450, and 1A. Call (909) 652-6821 or come in today to make an appointment! For other study groups or the study group schedule, go to <http://www.chaffey.edu/writingctr/studygroups.shtml>.
